SENIORS: There will be a rehearsal for graduation Friday from 1-3 PM in the MAC. This rehearsal is essential for your understanding of how Sunday will work: what you have to do, where you need to be, and when you need to be there. Please be on time, notify your college counselor if you have a conflict (like an AP exam) that will mean a late arrival, and bring something to write with.

SENIOR NIGHT LUMINARIES: Attention all students and teachers - luminaries are still being sold for senior night. Buy a luminary bag and write a special message to a senior friend or teammate, or one of your senior students or advisees. The luminaries will line the paths around STEM following senior night this Friday and we hope that it will become a beautiful, annual tradition. Bags are \$1 and will be available in the lunchroom this week or from Ms. Hamill. All proceeds will go to Partners in Health. Additional donations are welcome!

IPOD DRIVE: Please bring in your used iPods to donate to the Music & Memory program: the devices are paired with memory loss patients and have shown promising results! Turn them in to your adviser anytime through May 15th. www.musicandmemory.org
